Show rules:

Show will be conducted according to SCHK rules. Exhibitors may present their cats to the judges themselves but there will always be a steward available. Cats must be kept in decorated cages during the exhibition hours. Cages will be set in alphabetical order. The size of the cages is 60x60x60 cm. There are no chairs available at the show. Registration confirmation must be provided at entry. Permission for early departure is at the discretion of show management and may be required additional fee. Exhibitors assume all risk. Exhibition spaces are air-conditioned.

Veterinary rules:

Valid vaccination against panleukopenia and cat flu complex is compulsory. The validity of the vaccination according to the manufacturer's indication must be written in the pet's passport by the vet doctor who did it. All cats entering Czech Republic must have microchip, passport and a valid vaccination against rabies. Exhibitors of white cats must show valid vet certification of hearing examination.
